This is in response to the outstanding Restriction Requirement dated 11/03/2004 in the above identified application. Claims 1-22 are currently pending in the application.

In the outstanding Office Action, the Examiner required restriction of the application to one of the following two groups of claims: Claims 1-16 and 21-22, Group I, by asserting that the claims are directed to class 702, subclass 152; and claims 11-18, Group II, by asserting that the claims are directed to class 702, subclass 150. A call to the examiner on 10/14/2004 confirmed that the Examiner's intent was to group claims 1-16 and 21-22, Group I, and claims 17-20 (rather than 11-18) as Group II. This response will correspond to the stated intent.
